

REMARKS

Claims 1-12 remain pending in the application and have been allowed.

Claims 11 and 12 have been amended to more precisely follow the claim language agreed to in the telephonic interview between Applicants' undersigned attorney and the Examiner on May 10, 2007. In addition, a typographical error has been corrected in Claim 12 in that "a second signal line..." has been indented as a separate element.

Favorable consideration and entry hereof are earnestly solicited.

In the Statement of Reasons for Allowance attached to the Notice of Allowability, the Examiner provided reasons for allowance of the claims. It should be noted, however, that the reasons noted by the Examiner are not explicitly recited in each of the independent claims. For example, the statement regarding Claim 11 appears to be incomplete. Nevertheless, that claim is believed to be allowable for its combination of claimed features. Favorable consideration is requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Mark A. Williamson/
